Narbonne Baptist Church Ends Successful Revival

The *Narbonne Avenue* Southern Baptist Church finished the most successful revival in the life of the church. Attendance was reported at an all-time high the Sunday night Training Union and evening worship services recorded record attendances.

The pastor, Robert A. Wells, will speak this Sunday at all services. His message for Sunday day at both the 8:30 and 10:30 services will be on the subject, "People Who Go Away From God." The pastor stated this message is designed to answer the question people often ask, "Why do men fail to follow Christ and His teachings?"

The young adults of the church will enjoy a social at the home of Mr. and Mrs. Joe Carman on Saturday night.

Registrations accepted for children 3 years and up for the school will be held from 9-11:45 a.m., Aug. 9th and on Sundays after services.

Pastor L. Warneke and his staff will teach the theme,

"Let's Learn About God."

The programs will include songs, devotions and Bible stories.

The daily schedule also provides for art projects, group discussions, games and refreshments.

Street Light Petitions On Area Agenda

Lawrence Lee of the Edison Co. explained the street lighting situation to a large group of Southwest Park residents at the Carl Steel school, recently. The city will go through its files to see what petitions are out and not completed. These streets will be contacted to see if they want to complete it or send it back.

Sixty per cent of the tract as a whole, will need to sign for the new three year period. People already having lights will pay fifty cents a month, for three years, for energy. Streets having the steel pole lights put in will pay \$1.50 a month for the poles and fifty cents a month for energy, which will all be taken out of our taxes, for three years.

Volunteers are needed for distributing the petitions. For any further information or volunteering, call Mrs. Glenn Rickard or R. P. Hogue.

GRADUATION COSTS

Parchment diplomas awarded at commencements cost about \$100,000 dollars in the United States more than \$1 million annually.

LARGE MOUNTAIN

Mount Loa, the 13,650 foot high volcano peak located in Central America, is believed to be the world's largest mountain in point of its total volume.

Lesson-Sermon Topic 'Spirit'

"Spirit," the subject of the Lesson-Sermon in all Christian Science churches on Sunday, deals with the Spirit as synonymous with God. The sermon stresses the might and omnipotence and irresistible force of God, Spirit.

"Not by might nor by power, but by my spirit, saith the Lord of hosts," is the Golden Text from Zechariah 4:6.

A passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states, "Mortal mind alone sentences itself. Therefore make your own terms with sickness, and be just to yourself and to others. Mentally contradict every complaint from the body, and rise to the true consciousness of Life as Love,—as all that is pure, and bearing the fruits of Spirit" (p. 291).

These thoughts correlate a Biblical selection from Galatians, "Stand fast therefore in the liberty wherewith Christ hath made you free, and be not entangled again with the yoke of bondage" (ch. 5).

Some 230 Southland youngsters have been enjoying summer fun and adventure at the Seventh-day Adventist youth camp at Cedar Falls in the San Bernardino Mountains.

The five camping sessions which commenced July 7 and will continue through Aug. 21 have abandoned the traditional "whistle blowing" regimented approach where youthful campers were confined to rigidly-planned schedules. Instead, today's young people, ages 9-15, attending the camps can enjoy at least one half of each day doing activities of their choice.

Of course, the early morning roll call, inspection, and flag raising ceremony requires a lineup of all the campers, but even here reveille is heard at 7 a.m. rather than the old-fashioned 6 a.m.—the time of the rise, shine, and exercise period.

Youngsters Enjoy Camp

Daily Vacation Bible School will be held at the Ascension Lutheran Church, 18002 South Prairie Ave., from Aug. 11 through 22 each weekday morning from 9 to 11:45 a.m. and will close with an evening baptism service Aug. 22 when parents will be urged to bring their children for baptism. All children will participate in the service.

Registration will be held Saturday, Aug. 9, 9 to 11:45 a.m. and Sundays after services.

Pastor L. Warneke and staff of Ascension will teach on the theme, "Let's Learn About God." The program includes songs, devotions and Bible stories. The daily schedule also provides for art projects, group discussion, refreshments and games.
